AQUATIC PHYSICAL THERAPY

The Aquatic Rehabilitation therapists at Bucks Physical Therapy have broad-based backgrounds in sports rehab, orthopedics and aquatics. Their extensive experience translates into comprehensive evaluation and treatment planning for all of our patients.

Treatment sessions conducted by our trained physical therapists are designed to improve circulation, strength, endurance, balance and coordination; increase range of motion; decrease tissue swelling; normalize muscle tone; protect joints during exercise and reduce stress.

PLEASE CALL #(215) 579-0777
